RidgeView School

December 2020

Dear Parents and Caregivers

In recent years we have ordered exercise books and other stationery for your children through the school. We have found that we can get better pricing and that we can be sure that every child has the right equipment. This year we have included everything that your child needs in the classroom.

Every child must have a bookbag and the senior classes need a pencil bag. These are not included in the stationery packs.

I realise that this is a big expense, especially if you have more than one child, but we would appreciate you budgeting for this now. I am happy for you to pay this off between now and the start of the school year.

Please deposit the money into the school account (12-3059-0350076-00) with the reference **Stationery** by 27 January 2021. **School starts on Thursday 04 February 2021.**

Year in 2020	Amount for Stationery Pack
Year 0 and 1	\$35.06
Year 2	\$31.04
Year 3	\$31.04
Year 4	\$31.96
Year 5 and 6	\$32.76

We do appreciate the effort that our families go to ensure that all children are ready for school on the first day of term.

Please contact me on rachaelk@ridgeview.school.nz if you have any questions.

Yours sincerely

Rachael Kemball
